Greetings to all Chess Players: The Kalispell Chess Players will be attempting to give you the best State Tournament yet. We believe we have good trophies for you this year - a good playing area - and an excellent banquet lined up. The door prizes will be exceptional. If you wish, the Red Lion Inn have some reduction in rates if you mention the tournament.

The Kalispell Chess Players and myself look forward to being your host at the Montana State 40th Open Chess Tournament May 17-18 this year. It's your best move.
