***** STATE TOURNAMENT * 1977 * BOZEMAN ******

Tim Estle and Lon Doll of Bozeman, organizers for next year's State Tournament, report that they are seeking local business sponsorship for the event. This would help to offset the costs of publicity, playing site rental, trophies, and USCF tournament fees and allow lower entry fees for all players. Should they be successful, it would be hoped that this would set a precedent for community support of future State Tournaments and perhaps local events as well. Aside from the purely financial benefits for the average chess player, there is a great potential for increasing the visibility, quality and prestige of Montana's chess activities, thereby drawing more people to the pleasures of the game. Let us all wish Lon and Tim the best of luck!

Wayne Barker won the Billings City Championship Tournament held in that city on National Chess Day, October 9th, with a perfect 4-0 score. The one day event drew twenty-six players including eight promising juniors. Barry Sleight took the junior prize on tie-breaks over Philip Heywood and Kevin Sannes with a 2-2 score. Tied for best performance by non-Uscf rated players were Jim Tindall and William Miller, each with a 3-1 record.

Preliminary plans are being made for a repeat of the match played last year between teams from Great Falls and Billings, which met halfway, at Lewistown, last February. Players from these cities should be on the lookout for tournaments to be held to determine team members in the near future. Should players from other cities, areas or schools be interested in setting up team matches they can contact Bob McKinnon, 1608 7th St. S., Great Falls, MT 59405 or Bill Lynch, 1144 Harvard Ave., Billings, MT 59102.

Bill Lynch of Billings received his USCF Tournament Director's card in October. This brings the number of Certified Directors in the state to four. It thus appears likely that 1977 will prove to be as active a year as was 1976, with tournaments definitely in the works for Great Falls, Bozeman and Billings. Players form other areas wishing to hold a tournament for rating purposes should not hesitate to get in touch with these Directors, as they are likely to be willing to handle the official duties, provided that publicity and on site arrangements are taken care of by local people.

A six round, 5-Minute, speed chess tournament amongst twelve players of the Thanksgiving Open, held on Sunday morning prior to the beginning of the fourth round, was won by Tim Estle on tie breaks over Lynn Crewse with a score of 5-1. This intermission was great fun, and gave birth to many brilliancies!?

This game secured second place in the final round and typifies the solid, if cautious, play on the top boards where seven of twenty games produced draws. Overall, nearly 20% of all games were drawn - unusual - but indicative of the

equality of talent throughout the field.

MONTANA CHESS NEWS

Reports are that Montana now has three USCF Certified Tournament Directors. In addition to Otto Grosse of Great Falls, who has been carrying the load, Lynn Crewse of Great Falls and Jim Loy of Bozeman have recently passed the Federation test. Lynn has already served as Assistant Director and primary organizer of one tournament this year and rumor has it that Jim may have a Bozeman tournament in the works. This is very good news for Montana chess as it paves the way for more tournaments which leads to better play and additional participation.

****** STATE TOURNAMENT - 1977 - BOZEMAN ******

Lon Doll of Bozeman, secretary for next year's State Tournament, reports that planning is already underway to make 1977 a big year for the Montana Championship. As many of you may already know, it was decided at this year's Banquet/Business Meeting that the Montana Chess Federation and the Montana Chess Association should merge under the latter name, affiliate with the United States Chess Federation, and conduct a rated tournament next year to determine nationally recognized State and State Junior Champions. In addition to recognition it was noted that the USCF may provide full or partial funds to send our Junior Champion to the National Junior Championships. However, Lon informs us that Tim Estle, who is heading the organization effort, hopes to conduct play in four divisions - open and junior USCF rated competition and open and junior non-rated competition. The hope is that everyone will participate regardless of membership in the national organization, and that many new players will get a taste of tournament experience. Be on the lockout for further information, which Lon hopes will be forthcoming as early as January, on this tournament to be held in late April or early May.

Lynn Crewse of Great Falls has tentative plans for a USCF rated tournament to be held in that city the weekend following Thanksgiving, November 27th&28th. Drop him a card if you are interested and he will make sure you receive a bulletin with all the details when he gets them worked out.

Our Nation's Bicentennial year has proven to quite a celebration in Montana Chess circles as well. As early as February 1st teams from Billings and Great Falls met in Lewistown for a one day match won by Great Falls $14\frac{1}{2}-10\frac{1}{2}$. Two members of the Great Falls team were also successful in a telephone match with the University of Chicago. Early March brought a seven round rated tournament at the YWCA in Great Falls won by Jim Loy of Bozeman with $5\frac{1}{2}$. Dan Dutton of Missoula took Junior division honors with a perfect score. Butte also challenged Great Falls to a team match (results not known to this writer). Then, May 1st&2nd found the 41st Annual Championship of the Montana Chess Association being held at the Ponderosa Inn in Great Falls. John Barto did a tremendous job of organizing and conducting a fine tournament won by Robert Goble of Bozeman. Class B Champion was Terry Mitchell of Glendive, while Joe Wingard of Kalispell took home the Junior division trophy. June brought twenty players to the Malmstrom Air Force Base for another rated event won by Roberto Barajas of Great Falls, after which mid-summer heat and vacations curtailed activities until twentyfive players met in Billings for the Rimrock Open reported in full here.

All around, the best year in Montana Chess History, and it's not over t.

yet.

Special Thanks to Billings' YMCA Youth Center Director Jack King for his assistance and permission to use that fine facilty.

Though attendence fell somewhat short of expectations (hopes?) play was generally excellent and exciting with no untoward incidents. Assuming all goes well you can look for an invitation to the Second Annual Rimrock Open about this time next year.

Many thanks to John Barto of Great Falls whose contribution helped make this bulletin possible.

Advance apologies are in order as many of these numbers are quite old and some people are almost certainly omitted. No attempt has been made to list new USCF members not yet rated. Hopefully a more complete and accurate list can be generated in the near future.
